New York Produce Exchange Sales. 4th week May, 1907, 1906, Change.

FINANCIAL AND COMMERCIAL.

That general improvement in stock market conditions which became so plainly visible yesterday and which was displayed last week in the more liberal state of speculative temper and definitely rising tendency in prices was again exhibited to-day and in an even more unmistakable way than it was on the day preceding.

During the greater part of the session to-day the curb market, though displaying throughout a firm tone, was dull and without any particular feature.
